

Homefield

OUR NUNEATON CAMPUS

Welcome to the Homefield Hub

We set up our Nuneaton campus to offer a Homefield provision for those located closer to Warwickshire.

Our focus on learning still takes place out in the community. We feel that when preparing our students for transition it is important that we can do so in an environment that our students will be accessing regularly.

Having a base in Nuneaton allows us to continue to provide the Homefield experience whilst being practical for our students lives after graduation.

Clare Ibbotson - Head of Curriculum & Quality

About the Homefield Hub

Our Nuneaton site has:

- sensory breakaway space
- accessible entrance and stair lift
- craft enterprise
- living skills activities
- practical classrooms

Students at Nuneaton have sessions designed by qualified tutors and are supported by our

designated job coaches when out on a supported internship or work placement.

Our Therapy team will also be available for those based at the Homefield Hub, offering speech and language support as well as providing art and music therapy on an individual referral basis.

Our Programme

We provide for students on our Skills for Life & Work and Mission Employability pathways.

Sessions at Nuneaton include:

Careers

Design CVs, search for jobs and prepare for interviews.

Community access

Become part of the community by accessing shops, cafés, community groups and leisure activities.

Craft Enterprise

Try your hand at different artforms to sell and create works for our annual exhibition.

Digital Media

Use film, radio and graphic design to learn skills and develop knowledge on topics of interest.

Independent Travel Training

Learn how to travel safely when out and about, including using public transport and crossing roads.

PHSE

Cover topics such as relationships, e-safety and the importance of a healthy lifestyle.

Sport

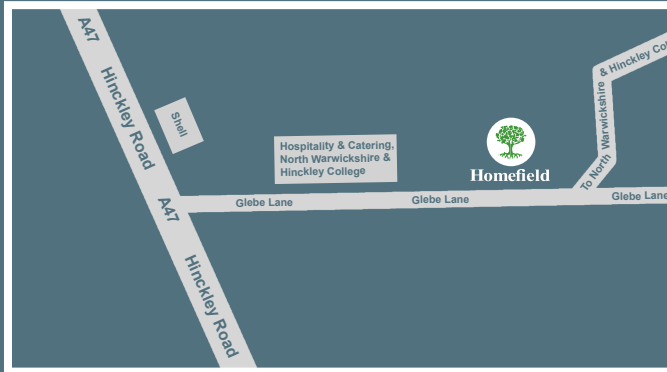

Access sporting facilities and gain teamwork and communication skills in the process.

Supported Internship

Undertake an internship at an external company with the end goal of moving into paid employment.

Work Experience

Develop skills relevant to your chosen sector by working in external companies.
