Tel: 01509 416561

== Welcome to Barrow of Treats ==

We are a café and sweet shop run by Homefield College, a local charity and independent specialist college for people with learning disabilities and difficulties.

At Barrow of Treats, our students experience a real work environment under professional guidance from our trained staff. The students learn good customer service, health & safety and hospitality, whilst developing their English, maths and communication skills.

We set up Barrow of Treats in 2008 after a successful run as a sweet shop in Sileby, and have been blown-away with the support from our customers. Since then, we've been able to open our separate sweet shop across the road.

Our traditional sweet shop sells over 200 varieties of candy. Here, our students learn how to make orders for parties, weddings and events.

To find out more about Homefield College, visit www.homefieldcollege.ac.uk.
